David, Amanda, and Secody:

I just got off the phone with Chris Wardell, a CIC from Region 8. Chris will be traveling to Durango, CA on Friday, as part of the Region 8 effort. His cell phone number is: 303-522-7109. Libby is currently responding and her cell phone number is: 303-548-3967.

Chris sent me the following resources that might be of interest:

- May 2015 fact sheet on the time-critical removal action:

- Public facing website on updates: <http://www2.epa.gov/region8/gold-king-mine-release-emergency-response#updates>

Chris:

David and Secody are now in Farmington, NM at the Field Command Post. David's cell phone is: 415-760-5419. Amanda will be traveling soon. Hopefully, y'all can keep in communication while you are responding. Thank you SO much!
